We make **One More Color**
than our competition...

the **One You Want.**

our side:

WOW

over 700 colors
and virtually
any color you
really want!

DreamColor... start with over 700 baseline colors

Forget the “dull dozen” colors you’ve been used to seeing on siding. Alcoa lets you start with more than 700 vibrant colors as a baseline for your creative spirit.

And if you can’t find the perfect color on our brilliant color palette fandecks, we’ll custom make it for you.

It’s a dramatic breakthrough for the industry, and another innovation from Alcoa, the home of America’s most respected home exterior brands.

add custom coordination everywhere

From window mantels to corner posts and everywhere in-between, Alcoa provides complete freedom of choice with more coordinated colors than ever before.

Add drama, enhance beauty, and create true individuality exclusively with the Alcoa Home Exteriors expanded family of color & design products.

finish with the perfect match

Alcoa's **custom color matching system** allows you to match colors beautifully.

Additions go on seamlessly as if they were part of the original plan. Replacement is a breeze with perfectly matched sections of damaged or weathered siding. And custom colors for siding, shutters or accents can

coordinate exactly with any inspiration... from the color of your brickwork to the shade of your prize roses.

And Alcoa will provide professional designers in our **Studio A** to develop custom designs that match any mood for your home.

freedom of choice

Choose your blues.
Go for great greens.
Pick the perfect pink.

With DreamColor, Alcoa Home Exteriors opens up the brilliant world of color and design to homeowners who want the ease and low-maintenance of advanced polymer siding with an unprecedented freedom of choice.

Alcoa Home Exteriors has developed a way to produce the colors of the rainbow in everything we make for the home... siding, shutters, designer accents, even soffit and fascia. And we give you **three ways you can choose your color** and coordinate it with everything on the exterior of your home for a total look that is nothing short of exceptional.

**virtually unlimited colors.
endless possibilities.**

Choose virtually any color.

Any tone. Any shade.

It starts now...with your dream and ends with your complete satisfaction.

The Custom Match

Looking for the red from your brickwork? We've got an exact match. Want the green from the copper patina above your bay window? We've got the color dead on. Considering the yellow-orange from the hand-painted sun dial you bought in Tuscany? Bravo...Alcoa's Custom Color brings reality to the dreams you see in color.

Alcoa Home Exteriors' custom color matching system allows you to match virtually any color exactly in custom siding, shutters and accents for your home.

- **Need to match old, weathered siding?** ...*Done.*
- **Looking to duplicate paint colors?** ...*No problem.*
- **Want to reproduce the colors of your alma mater?** ...*This is the system for you.*

Simply send in a sample of any color you want matched (including old weathered siding), and Alcoa will match it beautifully in siding, shutters or trim and provide a swatch. With your approval, your custom order will be produced and packaged for your individual project. It's that easy.
